SECURITY COMMITTEE

MEMORANDUM FOR: Executive Secretary, Economic Intelligence  
Committee

SUBJECT : Secret USIB Report (EIC STA 1/422)

1. In November 1974, the Executive Secretary, Security Committee, informed the Chairman, Economic Intelligence Committee, of a report to us from the Security Officer, Agency for International Development, that 13 copies of EIC STA 1/422 had inadvertently been transmitted in unclassified pouches to 13 AID overseas posts. In consideration of the fact that unclassified mail is handled by indigenous employees at these 13 posts, there was concern that the EIC report would be outside of US control. Department of State overseas security representatives were requested to take appropriate local action.

2. On 17 December 1974 AID Security informed the Security Committee that overseas investigations have been completed and receipt of the document without compromise at eight of the 13 locations. Five posts, Ankara, Kathmandu, New Delhi, Saigon and Santiago could not confirm receipt of the document. However, no information has surfaced indicative of public disclosure. A copy of the AID report is attached.

3. The Security Office, Department of State, has been kept aware of this incident as has the Office of Security, CIA.

4. There does not appear to be any further action for the Security Committee or the Economic Intelligence Committee at this time. The Department of State has been asked to alert us should the missing documents be recovered or find their way into the foreign press.

Pursuant to NSCID No. 1 (New Series, revised 15 September 1958), as concerns paragraph 2, sub-paragraph a.(5) there is hereby established a standing Security Committee of the U. S. Intelligence Board for the purpose of advising, assisting and making recommendations to the Board for the development and review of security standards and practices as they relate to the protection of intelligence and of intelligence sources and methods from unauthorized disclosure; and as concerns paragraph 5 thereof, for the further purpose of advising and assisting the Director of Central Intelligence in the exercise of his responsibilities thereunder.

c. To consider the problems, including to the extent feasible the degree of harm to the national interest, arising out of unauthorized disclosure of intelligence, intelligence information, as well as intelligence sources and methods and to make reports and recommendations for corrective action as appropriate.

d. The Committee shall coordinate closely with other committees of the Intelligence Board having related security responsibilities, and with other committees of the Government having jurisdictional responsibilities as may concern Committee recommendations.
